Tan Sri Lim Hock San said "during this crisis, LBS Bina Group is committed to flatten the curve of the COVID-19 pandemic and hopes that everyone adheres to the guidelines and Movement Control Order protocols provided by the government". The NADMA-COVID 19 fund was launched by the Prime Minister on 11 March 2020 to aid citizens who were most vulnerable to the impact of the Movement Control Order (MCO), particularly the B40 and the unemployed, that was enforced on 18 March 2020.
