## ENVIRONMENTAL POLICY STATEMENT

---

LBS Bina Group Berhad ("**LBGB or Company**") recognises the potential environmental impact and climate change. We committed to managing environmental impact as an integral part of our operations at all times, by adhering to the following principles:

1. Complying with all applicable environmental legislation, sustainability commitments and/or standards in all jurisdictions in where we operate.
2. Convey our Environmental Policy Statement to our internal and external stakeholders; encouraging them to adopt effective environmental management practices through regular awareness and training to minimise those impacts and in meeting our environmental commitments.
3. Promoting the preservation and enhancement of environment through strategic engagement with our internal and/or external stakeholders which including but not limited to our employees, environmental entities, NGOs and etc., across our business operation.
4. Make every effort and taking necessary measures to Greenhouse Gas (GHG) emissions reduction, water conservation, biodiversity preservation and etc., to reduce the environmental impacts.
5. Continually identify environmental risks and impacts arising from our activities, and reduce them as low as reasonably practicable levels.
6. Ensure that energy and resources inclusive of water, paper, fuel consumption and etc. are used responsibly, and conserved through innovative practices and procedures.
7. Adopt material and resources optimisation that promote waste minimisation: re-use, recovery and recycling, as appropriate.
8. Adopt proper waste management throughout the company's business operations including 3R practices (reduce, reuse and recycle).
9. Continually seek opportunities to improve our environmental performance by establishing objectives and targets, measuring progress, and reporting our results.
10. Strive to explore and invest in the environmental preservation and conservation initiatives that will further reduce our impacts on the environment in achieving our environmental objectives.
