The Committee, with the assistance of verification work performed by the External Auditors, is satisfied that the allocation of options pursuant to the Company's ESOS during the FY 2011, has complied with the criteria set out in the ESOS Bye-Laws.

INTERNAL AUDIT FUNCTION

LBGB has an in-house Internal Audit Department ("IAD") that carries out its appraisal function independently from the Management, with the Head of IAD reporting directly to the Committee. Besides reviewing the finding of internal control system of the Group, IAD also provides recommendations to improve such internal controls. The IAD adopts a risk-based auditing approach taking into account global best practices and industry standards.

During the financial year under review, the IAD has carried out its internal audit assignments in accordance with the Internal Audit Plan approved by the Committee. The Internal Auditors have conducted eight audits involving operational and compliance on the subsidiaries of LBGB. These IAD reports and relevant follow-up reports together with management responses were circulated to all members of the Committee for review and discussion before the Audit Committee Meeting on a quarterly basis. Upon the recommendation from the Committee, the said internal audit reports were tabled at the Board Meeting for approval.

The total cost incurred for the IAD for the FY 2011 was RM109,316,00.
